NOTIFICATION.

Consequent on the discontinuance of enrolment of first grade pleaders, the High Court, by virtue of the powers conferred by sections 6 and 7 of the Legal Practitioners' Act XVIII of 1919, and all other powers heretofore enabling, hereby makes amendments to the retrenched and amended rules relating to the grant of pleadership certificates, dated the 2nd August 1920, as last republished at pages 1293 to 1295 of Part II of the Fort St. George Gazette, dated the 20th October 1927, and renounces them for general information.

1. Unless the High Court for special reasons directs otherwise, pleadership certificates, other than renewed certificates, will not be granted in future. This takes effect from 1st January 1932.

Preliminary.

2. In these rules and in the forms appended thereto the word "District" denotes the territorial jurisdiction of a District Judge.

3. The right to practise in the Court of Small Causes of Madras is confined to Advocates, Vakils and Attorneys of the High Court.

Class of pleaders.

4. Pleaders in the courts subordinate to the High Court shall be classed as—

(a) Pleaders of the first grade.

(b) Pleaders of the second grade.

5. Pleaders of the first grade shall be entitled to appear, plead, and act in all the civil and the criminal courts of the districts in which their certificates authorize them to practise.

6. Pleaders of the second grade shall be entitled to appear, plead, and act in any District Munsif's or Subordinate Judge's Court in the districts in which they are enrolled and in the Court of any District Judge exercising the powers of a Court of Small Causes under section 26 of the Madras Civil Courts Act, 1913, in the district in which they are enrolled.

Pleaders of the second grade shall also be entitled to appear, plead and act in any Court of Criminal Jurisdiction in the district in which they are enrolled, other than the Sessions Court of the division.

For the purpose of rules 5 and 6 the word "District" may at the discretion of the High Court include the whole or a portion of the area of a district, under the jurisdiction of a single District Judge within the limits of which the pleader was authorized to practise at the time of his enrolment.

Qualification of pleaders.

7. Subject to the provisions of Rule 1, the qualification for pleaders of the first grade shall be as follows:—

(a) Any person who has obtained the Degree of Bachelor of Laws of one of the Universities of Madras, Aligarh, Bombay, Calcutta, Patna, Dhaka, the Aligarh Muslim University, or the Benares Hindu University or who files a provisional certificate from the Registrar of the respective Universities to the effect that he has passed the examination qualifying for the degree of the Bachelor of Laws of any of those Universities.

(b) Any person who has passed the examination qualifying for the Degree of Bachelor of Laws of the University of Madras and whose name has appeared in the list of successful candidates published by the University in the Fort St. George Gazette.

In the cases coming under clauses (a) and (b) applications for admission must be made within one year from the date of obtaining the degree or of the provisional certificate or of the publication of the examination results in the Fort St. George Gazette, or, if the applicant has become an apprentice with a view to enrolment as an advocate within two years from the date of obtaining the degree or date of publication of the examination results.

8. The High Court may call for evidence as to the respectability of the applicant in any case in which it may be deemed necessary.

Certificates.

9. Upon the applicant being admitted by the High Court, the Registrar of the High Court shall cause his name to be entered in the proper register and shall issue to him a certificate as required

by section 7 of Act XVIII of 1879, authorizing him to practise up to the end of the calendar year in the courts specified therein:

Provided that—

(a) in no certificate issued to a pleader of the first grade shall courts of more than three adjacent districts be specified; and

(b) in no certificate issued to a pleader of the second grade shall courts of more than one district be specified.

On the renewal of a certificate, the districts and courts mentioned in the certificate for the preceding year shall not be altered except with the special sanction of the High Court or the Registrar thereof.

When applications for addition or subtraction of districts in renewed certificates of pleaders are submitted for the sanction of the High Court, the last certificate of the pleader concerned and also their applications in original should be forwarded to the High Court.

10. The certificate shall bear the number assigned to it in the register and shall be signed by the Registrar and forwarded to the District Judge to be delivered to the applicant.

The certificate shall be taken to evidence enrolment in the courts specified therein. The holder can take it to any court therein mentioned, and may, with the approval of the presiding Judge, be enrolled in such court. The approval should not be withheld unless the Judge is aware of circumstances which in his judgment affect the professional character of the applicant; and in any case in which enrolment is refused the fact and reasons for it should be communicated forthwith to the High Court.

Renewal.

11. Every application for the renewal of a certificate must be made through the Judge presiding over the court in which the pleader ordinarily practises, and unless the High Court or the Registrar stated otherwise orders shall be made not later than 15th November and shall be forwarded by the District Judge to the Registrar of the High Court not later than the 30th idem. The renewed certificate shall be issued as soon as possible and unless the High Court or the Registrar thereof, otherwise orders, shall be dated 1st January of the year to which they relate.

Printing of renewed certificates.

Renewed certificates will be issued from the High Court in printed forms similar to those used for the original certificates. District Judges shall submit to the High Court without delay the blank stamp papers furnished by applicants for renewal of certificates. The prescribed form will thereupon be printed on the stamp papers which shall be returned to the District Courts for the preparation and issue of certificates to the applicants. In case an applicant submits more than a single stamp paper for renewing his certificate, the paper of the highest value alone must be sent to the High Court with the words "first or second grade pleader" as the case may be, written on the back. Pending the receipt of the renewed certificate, practitioners may continue to practise subject to such precautions as to identification as the District Judge may think fit to prescribe.

12. If any person, having obtained a certificate, shall fail to renew it for a period of two years, he shall not be entitled to have it renewed without the orders of the High Court and shall be required to produce satisfactory testimonials to his character during the interval.

When a pleader who has not been suspended from practice applies for the renewal of his certificate after the expiry of the year for which it was last renewed, he should state in his affidavit explaining the delay in applying for renewal, that he has not practised in any court since the expiry of the year for which his certificate was last renewed. District Judges in submitting such applications should report whether the applicants during the time they were practising considered themselves liable to fine or penalty under the Legal Practitioners Act, 1879.

13. If any person, having been admitted as a pleader, accepts any appointment under Government, becomes a student of any school or college for purposes of pursuing his studies, enters into any trade or other business, or accepts employment as a Law Agent

other than a pleader, Misdtr or Agent certified under Act XVIII of 1879 and these rules, he shall give immediate notice thereof to the High Court, who may thereupon suspend such pleader from practice or pass such orders as the said court may think fit.

(1) Provided that when a pleader is appointed by or under the authority of the High Court to the office of District Munsif, whether temporarily or permanently it shall not be necessary to give the notice prescribed in the first part of this rule, but no pleader, while employed as District Munsif, shall be permitted to practice or do any business as a pleader; and

(2) provided also that pleaders may take part in the management of societies, registered under the Co-operative Societies Act II of 1912, in the areas in which they practice; but no pleader so taking part shall receive any remuneration other than the ordinary profits without the special leave of the High Court.

Suspension and disbarment.

14. Subordinate Judges and District Munsifs are required to bring to the notice of the District Judge every case in which a pleader is guilty of misconduct for which he is liable to be suspended or dismissed under the provisions of the Legal Practitioners' Act.

In every case in which a report is received under section 14 of the Legal Practitioners' Act, or the High Court, after perusal of the records, considers that the proceedings of a Subordinate Court shall be revised under section 15 of the Act, the Registrar shall set the case down for hearing by a Bench of three Judges, and shall give reasonable notice to the pleader and to the person (if any) on whose complaint proceedings were instituted, of the day on which the report or order will be considered, and such pleader and complainant may appear in person or by counsel or valia to show cause against or support the report or order.

Pending a final decision on a charge of professional misconduct against a pleader, the High Court may order removal of his certificate.

15. *Pleader to keep regular accounts of receipts and disbursements of clients' money.*—It shall be the duty of every pleader to keep regular accounts of all moneys received and disbursed by him in connection with each suit, appeal or proceeding in which he is engaged as pleader. The failure to keep such accounts will be treated as a "reasonable cause" for suspension of certificate within the meaning of section 13 (f) of the Legal Practitioners' Act 1879.

16. *Pleaders prohibited from acquiring interest in decrees obtained by their clients.*—Practitioners of courts subordinate to the High Court are strictly prohibited from purchasing from their clients or from any other person, any interest in any decree passed by the court in which they practice.

17. Any wilful violation of any of above rules shall subject a pleader to suspension or dismissal.

18. The certificates and renewed certificates issued or to be issued to pleaders under the Legal Practitioners' Act, 1879, shall be in the following terms:—

2. The wood has been classified according to the classes noted above. Intending purchasers are advised to inspect in advance, the lots put up for sale, but they must accept the classification made in the depot as final.

3. The various classes have been stored in the sandalwood depot in lots of 10 and 15 tons for convenience, but the lots so deposited will not necessarily be offered for sale as such. Each class of wood will be offered for sale separately in lots of 10 or 15 tons, but the amount of each lot being offered will be a certain quantity of the class of wood then being sold. Rate will be per ton of each class of wood.

4. The lots will be subject to modification by the Commissioner of Forests, Indian Civil, who does not bind himself to accept the highest or any lot.

5. Before being offered to bid, each intending bidder must pay an earnest money deposit of Rs. 1,000. If paid in cash immediately before the sale, the earnest money will be the full of Indian money for Rs. 1,000 or the Rs. 100. A accepted Government treasury order for the amount will also be accepted. In the case of intending bidders, who have previously bought sandalwood from the Forest Department, a cheque on the Imperial Bank of India for the amount will be accepted, but the intention to accept such cheques must comply with the notice circulating the sale.

6. If two or more persons in partnership attend the sale with the intention of purchasing wood jointly, any one member of the partnership will be accepted for purposes of bidding and the deposit will be accepted as his share.

7. The earnest money deposit of intending bidders will be returned immediately after the sale is over and that of successful bidders will be retained towards the first instalment of the purchase price.

8. Each purchaser shall immediately after a lot is knocked down to him, sign by stamp at his own risk and liability, in the certificate provided for the purpose, such signature will be held as an admission on his part of his having purchased that particular lot and of having accepted the conditions of the sale terms.

9. Immediately the sale is over, each purchaser, if he offers for any portion of the lot has been accepted by the Commissioner of Forests, will be furnished with a memorandum showing the total amount due from him. This shall mean 25 per cent of the total amount, less the earnest money deposit, at the Imperial Bank of India at Village or Madras, within three days of the completion of the sale and another 50 per cent before the 15th March 1935, the balance of 25 per cent being paid on or before 15th May 1935 or against delivery, whichever is earlier. Should any purchaser fail to make the necessary contribution by the due date the money already received will be paid to Government and the District Forest Officer will be at liberty to auction the wood offered in the lot of the purchaser who shall be liable for any loss, but shall not participate in any profit which may arise by the resale.

10. After 50 per cent of the entire sale value has been paid to the credit of the Forest Department, delivery of the sandalwood shall be made to the purchaser provided that until such payment there exists a quantity of wood equivalent to 50 per cent of the full sale value shall remain unsold, but paid for.

11. On the purchaser's presenting cheques to pay that 50 per cent of the entire sale value has been paid, a proportion of the wood purchased will be weighed in the

of his agent's presence and the quantity handed over to him as provided for in article 10 above. If, however, proof is produced that the entire sale value has been paid, the whole sandalwood purchased will be weighed and loaded on board. The purchaser must take delivery of and receive the whole of the wood sold to him on or before the 4th June 1935.

12. Should any person on the quantity paid be found to be the quantity purchased above weighing at the time of delivery, the excess will be paid for by the purchaser at the rate at which it was originally purchased, before offering for sale. If any one purchaser has purchased more than one lot of wood and if there is any short in one lot or class and deficit in the other, any short in the lot of delivery on a particular day, the value of the deficit not sold on the date of which the value of the lot was sold, will be adjusted towards the value of the excess quantity received on the date of which the lot was sold, and the balance, if any, shall then be returned to the purchaser before presenting the cheques for the quantity delivered during the day. If, however, the lot was delivered on a date when there was a deficit on account of damage over the accepted quantity at the time of sale, the value of the deficit quantity at the purchased rate will be returned in cash money.

13. The accepted bidders, when depositing their agents to take delivery, must furnish each agent with a power-of-attorney duly stamped and bearing the signature of the person so deposited. A copy of the power-of-attorney must also be sent to the District Forest Officer for file, with four separate signatures of the agent. Failing this, delivery may be refused pending verification, in which case the delay will be against the accepted bidder.

14. No further clearing or classification of sandalwood will be undertaken by the Forest Department and will be undertaken by the bidder, any wood, prawn or bullock, as determined by the Forest Department, shall be accepted.

15. After the wood has been weighed and loaded on board, if the purchaser fails to remove all the wood within the period allowed or if the 15th December will be changed at the rate of Rs. 2 per ton per day from the last date fixed for delivery until the wood is finally removed.

16. No sandalwood shall be removed from the depot till a licence to remove it signed by the officer of the Forest Department who delivered the wood, shall have been obtained and till every piece of sandalwood that can be stamped from the department's "sale licence" mark.

17. The offerer conducting the sale shall be at liberty to stop the sale at any time without giving any reason to the attending purchaser.

18. The wood purchased by each purchaser shall be in the depot at the purchaser's risk from the date of sale until it is removed.

19. The purchaser shall bear the cost of taking delivery of sandalwood.

20. Each intending bidder whose request accepted by the Commissioner of Forests, Indian Civil, or an application made in writing at least three days before the date of sale, must provide a security certificate signed by a responsible Revenue Officer of the district in which he resides, and the District Forest Officer holding the sale may refuse to allow any bidder who is charged to bid beyond the amount guaranteed in such certificate.

21. Any supplementary conditions that may be found necessary will be added and sent out at the time of notice.

22. The full quantity of wood advertised for sale will not necessarily be put up to auction.

23. Further particulars may be had on application to the District Forest Officer, Village West, Madras, Tumpagari, North Ardre.
